END OF NIGHT *Clean Up*

\$500

When the dancing is done and the last toast has been made, leave the cleanup to us! For \$500, our team will handle the post-party mess so you can head off to celebrate your first night as newlyweds.

Better yet, you won't have to recruit your family and friends to stay behind cleaning up—they came to celebrate your love, not haul trash bags! We'll take care of the trash, tables, and tidying up, because the only thing you should be holding at the end of the night is your new spouse... not a broom.
